Each year members of the Duneland Weaver's Guild may choose to be involved in several shows and demonstrations allowing us to display and sell our work. We also participate in community events, demonstrations, and festivals.

### ***Wearable Arts Style Show and Fiber Art Exhibit***

The Chesterton Art Center is home to this unique show in April of each year. Our fashion show featuring hand spun, woven, knit garments, and accessories begins this spring event. Throughout the month of April, we have an exhibit and sale of garments, accessories, and a variety of rugs, tapestries, and other household items.
